

Oswald Companies Announces 2018 ISBC Scholarship Winners

The Oswald Companies' Schools Practice awarded two high school students with a \$1,000 scholarship this spring. To celebrate the 15-year anniversary of their Independent School Benefits Consortium (ISBC), Oswald Companies created the ISBC Scholarship to give back to our member school community and honor students who exemplify the core values of Oswald: passion for excellence, integrity, resourcefulness and commitment to community.

Congratulations to our two ISBC Scholarship winners, Lilly Rothschild from Hathaway Brown School and Thomas Mitrovich from Andrews Osborne Academy!

LILLY ROTHSCHILD

Lilly Rothschild, Hathaway Brown 2018 graduate, shows a strong commitment to community through her participation and leadership in numerous outreach activities. She is involved in Girls Reaching-Out Word Wide a student run philanthropic organization, East-End Neighborhood House after school program, Saltzman Youth Panel and the Montfiore Senior Living Healthcare community. Lilly developed the website, [Girls Linked Through Ink International](#), to provide girls from different backgrounds, countries and ethnicities an online space to share who they are with others. Lilly's teachers describe her as an excellent and conscientious student with an enormous heart.

THOMAS MITROVICH

Tom Mitrovich, Andrews Osborne Academy 2018 graduate, is described by his teachers as having a strong work ethic and character, embracing life's challenges without fear. When Tom is not participating in sports or acting as ambassador to the school, he dedicates his time to the community through Youth United Way, Hidden Hollow Camp and the Junior Olympics.

Kurt Meinberg, ISBC Director, presented Tom Mitrovich the ISBC Scholarship at Andrews Osborne Academy's Awards Ceremony June 1, 2018
